

NEWS RELEASE

Alum-Line adds a new addition to its Utility Line of Trailers!

With a growing demand for smaller utility trailers, **Alum-Line** is introducing a light-duty trailer for hauling capacities under 2000 lbs. The new model, called Pro-Utility LTD, will be available in 5' and 6' widths, and 6', 8' and 10' lengths.

Standard features are all aluminum construction including extruded main frame and flooring; 4' fold-up ramp that also stores flat on the deck, six outside stake pockets, EZ lube 2200 lb. torsion axles, 13" tires with aluminum rims, all DOT safety equipment and LED stop/tail/turn lights.

This is an ideal trailer for hobby hauling, ATVs, garden tractors and golf carts. With **Alum-Line's** reputation of building strong trailers and attention to detail, this will be a trailer that will bring its users many years of worry-free use.
